Alex-

I see that Jim Hanchett forwarded you a copy of my schedule for the week of October 24th. The only other court case that I have scheduled for that week is a New Bedford District Court case scheduled for October 27th, which is the same date as my Quincy and Chicopee cases (I have no idea how this is going to unfold). I am going to need the lab number(s) for your case so I can prepare adequately. If you need anything else from me, you can either email me or give me a call. I'm leaving the lab today around 12:30, however, as I have Superior Court case in Springfield this afternoon. Thanks

Thanks. Our trial will take place the week of October 24. I am thinking we can work her testimony in on the 25th or 26th, when she is scheduled for Springfield District Court. My trial will be in the federal court in Springfield, just up the street from state court.
